Non-Executive Director

An articulate, detail orientated, and capable executive credited with combining expertise in finance, project management, marketing, and conflict resolution to deliver substantial revenue growth in highly competitive business markets. Successfully assisted growth of micro and small cap companies with outstanding Interpersonal relationships across global sectors. Routinely recognised for delivering insightful strategic advice, analysis, leadership, and demonstrating integrity within personal character. A problem solver by nature with the ability to see the big picture. A responsive executive who meets challenges head on and has attained credibility for achieving results. Adept in both hands on and leadership roles as dictated by corporate circumstances and resources. A trusted advisor and critical friend.
